Webinar

Off-Pump CABG Surgery

Join Getinge

In support of World Heart Day, we invite you to attend our webinar for an overview and insight with Dr Cheng-Hon Yap on why and how he uses Off-Pump CABG Surgery.

Date: Wednesday, 30th September 2020
Time: 6.30pm (AEST)
Host: Dr Michael Seitz
Speaker: Dr Cheng-Hon Yap
MBBS, MD, FRACS

About: Dr Yap performs a wide range of cardio-thoracic procedures including VATS, robotic lung and mediastinal procedures, aortic surgery, coronary bypass and cardiac valve procedures. He has an interest in Off-Pump coronary bypass surgery, minimally invasive aortic and mitral valve surgery.

Note: This webinar is for Health Care Professionals only. Places are limited.
